

# Tomorrow Never Comes

**Dottie West**

Oh, you tell me that you love me  
Yes, you tell me that you care  
That tomorrow we'll be married  
But tomorrow's never there

Many weeks have I waited  
And many, many long nights have I cried  
Just to see that happy morning, happy morning  
When I'd have you right by my side

But tomorrow never comes  
No, no, no, tomorrow ain't ever, ever gonna come  
Now you tell me, tell me, tell me you love me  
And you say you want me  
Oh, but tomorrow never comes
