

Would You Hold It Against Me

Dottie West

Would you hold it against me
If I just see him one more time?
Just so I can make certain
I can leave him behind.

Would it make any difference
If I just hold him once again?
Now you know that I love you
But have I forgotten him?

He was my love
Till you came my way
Now I can't help but wonder
Have I made a mistake.

Just suppose I remember
The things he used to say
After our wedding day.

Would you hold it against me
If I just see him once again?
Then I'll know that I love you
And that I've forgotten him.

For he was my love
Till you came my way
Now I can't help but wonder
Have I made a mistake...
