Doug E. Fresh

So y'all want some more  
So y'all want to go to that next level  
So you telling me you ready  
Alright

Ladies and gentlemen  
I'm ready to start this party off  
Barry Bee, come on  
You want hip-hop

So I gotta ask y'all a question  
Since y'all ready to move  
I want to do something special  
I want to record a live record tonight  
A live record with y'all  
How many of y'all got it in y'all to make a record tonight  
So I gotta ask a couple of questions  
If you happy to be alive make some noise out here  
This place is mic'd all the way around  
And you don't have to be afraid  
All you gotta do is have fun  
Now how many people in here still know how to have fun  
Well if you know how to have fun, I wanna ask you a couple of questions  
If you look good and you smart make some noise  
Alright, now listen to this  
Imma say  
I got something new  
You say what you gonna do  
I got something new  
You say what you gonna do  
I got something new  
(What you gonna do)  
I got something new y'all  
(What you gonna do)  
I got something new  
(What you gonna do)  
Baby I got something new  
(What you gonna do)

Straight funk now this one I can't hold back  
A brand new song to make y'all sing along  
It take a second but once you get it and it's going  
You'll be finishing the rhyme like a true poet  
And even if you don't know it get wit it  
And fill in the blank words when you hear it  
Get up cheer it got ta come near it  
Don't stop (Get it, get it)  
Hold up (Wait a min)

Come again

I don't know if you've ever seen me before  
But tonight  
Imma show you something that really nobody ever done in hip-hop

And this is special  
Because it appeals to us all
