

# I'm Gettin' Ready (Go)

Doug E. Fresh

Takin' off my coat  
Clear my throat  
Takin' off my coat  
Clear my throat

As we proceed to give you what you need

Alright ladies and gentlemen  
You're right on time  
It's about to go down, man  
I see you got the invitation  
Play

I'm gettin' ready  
I'm gettin' ready  
I said I'm gettin' ready  
Said I'm gettin' ready  
I said I'm gettin' ready  
I said I'm gettin' ready  
I said I'm gettin' ready  
DC  
Let me tell you something, baby

One morning I had a dream  
That I can make a young lady scream  
By making musical sounds with my mouth  
Listen  
I tried it at a party and people didn't even know it was me  
And when they finally saw me I heard a shout  
Like that  
To see a crowd just dazed and amazed and then everybody's eyes just gazed  
Upon the man we know as Doug E. F-R-E-S-H  
And to prove to you and the crew who I am and what I do  
Now Is it because I know how to kiss?  
And the ladies can't resist  
Plus they love it when I go like this  
When I go like this

'Cause I'm gettin' ready  
I'm gettin' ready  
I'm gettin' ready  
I'm gettin' ready  
What's up baby  
I'm gettin' ready  
Y'all ready  
I'm gettin' ready  
Said I'm gettin' ready  
Lookin' good baby

Now every, every single  
Every rhyme I make is no mistake  
And I'm givin' you more and you could be sure that you can take  
In the projects, buildings, tenement, palaces

You work hard you're bound to get calluses  
On your hand and every woman and man  
And I'm giving you more than you can stand  
I'm ready and willing cold chilling  
Gettin' paid wearing silks and suede  
Go to Barbados and cool in the shade  
Do my exercise keep nice and trim  
Go down to the beach for a real cool swim  
And all the ladies say let's talk to him  
He's cute, let's talk to him  
I got brown eyes, brown complexion  
Keep my hair up to perfection  
Believe in the saying you are what you eat  
Hey that's the main reason why I don't eat meat  
But I can say a hot rhyme off a hot beat  
And like Adam and Eve we're gonna try to achieve  
What most people out here would disbelieve  
And the band so hot it make it hard to breathe  
Make the best DJ's in the place wanna leave  
Wanna leave  
Wanna leave  
1-2-3

I'm gettin' ready  
I'm gettin' ready  
I'm gettin' ready  
I said I'm gettin' ready  
Hey y'all  
I'm gettin' ready  
I'm gettin' ready  
Said I'm gettin' ready  
I'm gettin' ready

Do me a favor, y'all  
Throw one hand in the air  
And then you wave it like this right here  
If you are down with the Go-Go Swing  
Somebody say Oh Yeah  
Oh Yeah  
Everybody in the house tell me where y'all from  
South Beach  
Tell me where y'all from, baby  
South Beach  
Tell me where you're from, baby  
South Beach  
Tell me where you from, baby  
South Beach

I like the way you comb your hair  
And I like those stylish clothes you wear  
It's just those little things you do  
That shows how much you really care  
Like when I'm all alone with you  
You know exactly what to do  
You make that fire inside of me  
Ain't nothing like that Go-Go-Go Swing

We go Uh-Ah-Uh-Ah-Ah  
Uh-Ah-Uh-Ah-Ah  
Somebody go Uh-Ah-Uh-Ah-Ah  
Uh-Ah-Uh-Ah-Ah  
On the side we go Uh-Ah-Uh-Ah-Ah  
Uh-Ah-Uh-Ah-Ah  
We go Uh-Ah-Uh-Ah-Ah  
Uh-Ah-Uh-Ah-Ah

The name of this song  
I'm gettin' ready  
Said I'm gettin' ready  
Said I'm gettin' ready  
Said I'm gettin' ready  
I said I'm gettin' ready  
I said I'm gettin' ready  
I said I'm gettin' ready  
Y'all ready  
1-2  
Take 'em to DC

Take 'em to DC  
I wanna see who's here  
If you happy to be alive  
Make some noise in here  
If you're happy to be alive  
If you're happy to be alive  
Put your hands up  
Let me see ya  
If you're happy to be here  
Put your hands up  
Somebody say Oh La Oh La Oh La  
Oh La Oh La Oh La  
Say Oh La Oh La Oh La  
Oh La Oh La Oh La

I'm gettin' ready  
I said I'm gettin' ready  
I said I'm gettin' ready  
I said I'm gettin' ready  
I'm gettin' ready  
Ready  
Ready
