

All Together

Dougie MacLean

We are united now within these ancient wheels
We are united in the spirit of the music at our heels
And on reflection we rebuild and we restore
We are as mother nature's children as we dance around the
floor

CHORUS

All together, all as one
All together
Relentlessly we're dancing on

We are invisible upon these dancing feet
We're shape and shadowless revolving to the one eternal
beat
With hearts connected we will turn the other round
We are as mother nature's children as we dance upon the
ground
CHORUS

We'll stay forever here within these timeless walls
We'll stay forever here no matter how the turning silver
falls
Exhilarated we have seen this place before
We are as mother nature's children as we dance around the
floor
CHORUS
