

If it's not about how you adore me, it's probably corny
You stuck up on pride and that shit just not for me
Fuck shallow incentives, I'll give you perspective
Peek into my heaven, baby, I could drive you senseless
I'm not what you seek, it's an authentic mystique
Drop the act, I'm tryna see
I bet you're sexy when you're geeked
Nothin' but perfume on, you could still tell I got steez
Barely see a point if it don't add on to my peace, yeah
Drop the act, I'm tryna see
I bet you're sexy when you're geeked
They be on some hater shit, they callin' it honest critique
Even when I wanna blend this energy so indiscreet
So just fuck it, I'ma bless you
Show you something that's unique

If you ever spited, I just know it hurt
Guess it's just a lesson that you had to learn
I was down to move on, move with love
They be holdin' grudges that refuse to budge
If you ever spited, I just know it hurt
Guess I'm just a lesson that you had to learn
I was down to move on, move with love
They be holdin' grudges that refuse to budge

I like to think I got it all figured out
Walk around high and mighty
With the whole world beside me
Then I find myself lost again
What the fuck is that about?
I like to think that I'm mature
With an out of world allure
And a graceful cockiness that I wear like new couture
That I wear like new couture
'Til I'm something they can't afford

I better watch myself, watch my mouth
Or I'll end up just me, myself, and all my wealth
I don't think it's supposed to feel as good as it sounds
That's what they tell me (That's what they tell me)
I better watch myself, watch my mouth
Or I'll end up just me, myself, and all my wealth
I know that it do not feel as good as it sounds
They don't gotta tell me

But if you ever spited, I just know it hurt
Guess it's just a lesson that you had to learn
I was down to move on, move with love
They be holdin' grudges that refuse to budge
If you ever spited, I just know it hurt
Guess I'm just a lesson that you had to learn
I was down to forgive and move with love
They be holdin' grudges that refuse to budge

Drop the act, I'm tryna see
I bet you're sexy when you're-
Drop the act, I'm tryna see

I bet you're sexy when you're-
