

# RUDE / RECKLESS

Dounia

Hey, uh  
Hey, uh  
Mmm

Ya'll saw me on my grind  
Yeah, I peeped, yeah, I got some commentary  
I might keep to myself, dawg  
You were gone, you were asleep  
Left a come up on read and I got the receipts, dawg  
But this fine 'cause I'm graceful  
Let it all go 'cause I'm Abel  
Weekend coming tranquil  
It don't matter how you put it on that, I'm that girl at every angle

Should I get rude? Should I get reckless?  
Are any bitches really even worth the mention?  
Should I get rude? Should I get reckless?  
See them hatin' but I still feel the attention

Should I get rude? Should I get reckless?  
Are any bitches really even worth the mention?  
Should I get rude? Should I get reckless?  
See them hatin' but I still feel the attention

I was you at your prime  
So please watch how you choose to hear my line, dawg  
Game is done, yeah it's mine  
Legs wrapped around her, watch us intertwine, dawg

Yeah, I pulled up and I popped  
I'm the only one to watch  
I'm who really come shock  
I might just be outta stock  
So, damn there go my stock up  
Prolly why yours dropped  
Yeah, I pulled up and I popped  
Yeah, I pulled up and I -

Should I get rude? Should I get reckless?
