Dounia

Take your space, I love space babe  
THC, I'm in space babe

I'm unfazed

I'm unfazed

Take your space, I love space babe  
THC, I'm in space babe

I'm unfazed

I'm unfazed

Not many could handle it

Would get it if you couldn't handle it

You seem to be handling it

Just fine

Not many could handle it

Would get it if you couldn't handle it

You seem to be handling it

Just fine

Take your space, I love space babe

THC, I'm in space babe

I'm unfazed

I'm unfazed

Take your space, I love space babe

THC, I'm in space babe

I'm unfazed

I'm unfazed

Excite me, play up the allure

I'd rather be anything but bored

I rather be anything but bored

Anything but bored

My divine roster, he's in love 'cause duh

(Excite me, excite me)

My divine rasta, he's in love 'cause duh

Take your space, I love space babe

THC, I'm in space babe

I'm unfazed

I'm unfazed

Take your space, I love space babe

THC, I'm in space babe

I'm unfazed

I'm unfazed
