Douwe Bob

Tell me doctor do I need a rest  
Tell me doctor do I need a test  
I really need to get this off my chest  
I got too much to confess

I don't wanna give her up  
I don't wanna give her up, oh no  
I don't wanna give her up  
I don't wanne give her up, oh no

Give me doctor give me give me a shot  
Give me doctor I don't need a lot  
Give me doctor it gets so damn hot  
Give me doctor give me all you got

I don't wanna give her up  
I don't wanna give her up, oh no  
I don't wanna give her up  
I don't wanne give her up, oh no

I don't wanna give her up  
I don't wanna give her up, oh no  
I don't wanna give her up  
I don't wanne give her up, oh no
