

Jacob's Song

Douwe Bob

I could say I understand you
But I'm sorry that I don't
You know I'd fall into your arms right now
You'd rather be alone

We could use our breath to fix this
And fix this and fix this again
Words could calm us for a while you know
'Til storm comes 'round again

Now there's so much left to fight for
But nothing left to show
The only one I'd kill for
Doesn't need me anymore

Will the circle be unbroken?
Are we gonna break our hearts?
If we are to spend our lives apart
Words should be left unspoken

Now there's so much left to fight for
But nothing left to show
The only one I'd kill for
Doesn't need me anymore

Now there's so much left to fight for
But nothing left to show
The only one I'd kill for
Doesn't need me anymore
