

Ready Or Not

Douwe Bob

I can see it baby
I see the waters on the rise
Your lips are sealed darling
I can read it from your eyes
I can feel it coming
It won't take me by surprise

If you don't love me darling
If you don't love me let me go
It's been showing lately
You can't take it anymore
If you don't want me darling
If you don't love me let me go

Some things are hard to live with
But harder to live without

Ready or not
Keep me from leaving
Give me a sign
Something to believe in
Don't let me go
Just let me hold you
If you don't love me now
You never will

If you could look into me
You'd see a river running free
You'd feel the power
And how much you mean to me
If you don't want me darling
If you don't love me, set me free
Some things are hard to live with
But harder to live without

Ready or not
Keep me from leaving
Give me a sign
Something to believe in
Don't let me go
Just let me hold you
If you don't love me now
You never will

No you never will
Oh no

How I love you darling
How I wonder if you know

Ready or not
Keep me from leaving
Give me a sign
Something to believe in
Don't let me go
Just let me hold you
If you don't love me now

You never will

You never will

You never will, no

Oh no
