

## You Don't Have to Stay

Douwe Bob

You woke me up  
I've been sleeping too long  
And it's starting to dawn on me  
Too soon to tell  
I get weak in the knees  
As I carry these words with me  
You don't have to stay (no, no)  
Please don't ever leave (don't go)  
You don't have to stay (no, no)  
Please don't ever leave (don't ever leave)  
I've seen a place  
I was hanging around where the love was profound and bold  
Too much too soon  
Started shaking my grounds  
And I nearly drowned in all  
You don't have to stay (no, no)  
Please don't ever leave (don't go)  
You don't have to stay (no, no)  
Please don't ever leave (don't ever leave)  
I've taken the long way round  
I've made it here safe and sound  
You don't have to stay (no, no)  
Please don't ever leave (don't go)  
You don't have to stay (no, no)  
Please don't ever leave (don't ever leave)  
You don't have to stay (no, no)  
Please don't ever leave (don't go)  
You don't have to stay (no, no)  
Please don't ever leave (don't ever leave)  
You woke me up  
From the deepest of dreams  
And it's know that I see  
I've been blind as can be  
You're gone
