

# Better Together

Dove Cameron

You ready?

Oh, oh, uh yeah

Uh-uhh (let's go)

Don't have to win the gold all on your own  
We're a team now we're stronger  
Don't gotta face the whole world all alone  
Cause we could go further

The road could be hard  
And the night could be dark  
Like a jewel we'll shine brightly  
Wherever we are  
If we stick to the dream  
We'll never fall apart

Because we're better together  
Stronger side by side  
This is our moment  
It's our time  
So we're different, whatever  
Everyone can shine  
This is the moment of our lives  
'Cause we're better together

Everyone of us is more than strong enough  
But when we work together (work together)  
We're a power that nothing else can touch  
Every piece makes us better

The road could be hard  
And the night could be dark  
Like a jewel we'll shine brightly  
Wherever we are  
If we stick to the dream  
We'll never fall apart (fall apart)

Because we're better together  
Stronger side by side  
This is our moment  
It's our time  
So we're different, whatever  
Everyone can shine  
This is the moment of our lives  
'Cause we're better together

We are stronger  
All of us together  
Only makes us better (yeah)  
We can do whatever  
We are stronger (we're stronger)  
All of us together (together)  
Only makes us better  
We can do whatever  
Yeah!

Because we're better together

Stronger side by side  
This is our moment  
It's our time  
So we're different, whatever  
Everyone can shine  
This is the moment of our lives  
'Cause we're better together

We are stronger (oh, oh)  
All of us together (oh, oh)  
Only makes us better (oh, oh)  
We can do whatever (oh, oh)  
We are stronger (oh, oh)  
All of us together (oh, oh)  
Only makes us better (oh, oh)  
We can do whatever (oh, oh)  
'Cause we're better together
