Dove Cameron

Your smoke in my hair  
hot and dirty like that air  
that face baby it ain't fair  
but you don't know what you don't know  
what you don't know

oooh so you wanna talk about power?  
oooh let me show you power

I eat boys like you for breakfast  
one by one hung on my necklace  
and they'll always be mine  
and it makes me feel alive  
I eat boys like you for breakfast  
and i know that you tried to best this  
I never said it's right  
but i'm gonna keep doing it

I'm sick, yeah I'm sick  
and honestly I'm getting high off this  
and do you wanna see a magic trick?  
but you don't know what you don't know  
what you don't know

oooh so you wanna talk about power?  
oooh lemme show you power

I eat boys like you for breakfast  
one by one hung on my necklace  
and they'll always be mine  
and it makes me feel alive  
I eat boys like you for breakfast  
and I know that you tried to best this  
I never said it's right  
but I'm gonna keep doing it
