

# Evil

Dove Cameron

Everybody see my sunny  
Everybody see my shine  
But they don't know my story  
They don't know what's on my mind

I carry on like a princess  
But, man, I've got 'em fooled  
'Cause underneath my business  
I am cold, I'm hard, I'm cruel

Never gonna put a spell on me  
Never ever gonna bring me back  
Never gonna make me be somethin' I'm not...

Because I'm evil  
Tell the people  
I'm evil  
Open your eyes  
I'm all a disguise

Everybody in my circle  
Think I'm gonna be their friend  
But I got bad intentions  
And I'm gonna have 'em again

So why should I stop my dissin'  
Or soften up my heart?  
Tell me what good is livin'  
If you can't be who you are? Yeah

Never gonna put a spell on me  
Never ever gonna bring me back  
Never gonna make me be somethin' I'm not...

Because I'm evil  
Tell the people  
I'm evil  
Open your eyes  
I'm all a disguise

I'm evil  
Tell the people  
I'm evil  
Open your eyes  
I'm all a disguise

So good I'm gonna find some trouble, trouble  
I'm gonna make some trouble  
So good I'm gonna find some trouble

Never gonna put a spell on me  
Never ever gonna bring me back  
Never gonna make me be somethin' I'm not...

Because I'm evil  
Tell the people, hey  
I'm evil, yeah

Open your eyes  
I'm all a disguise

I'm evil  
Tell the people, hey  
I'm evil  
Yeah, yeah  
So evil  
Open your eyes  
I'm all a disguise

So good I'm gonna find some trouble, trouble  
I'm gonna make some trouble  
So good I'm gonna find some trouble  
Find that trouble

So good I'm gonna find some trouble, trouble  
I'm gonna make some trouble  
So good I'm gonna find some trouble

Oh, no
