

# Space Between

Dove Cameron

I didn't know what you were going through  
I thought that you were fine  
Why did you have to hide?  
I didn't want to let you down  
But the truth is out  
It's tearing me apart, not listening to my heart

I really had to go  
And I would never stop you  
Even though it changed  
Nothing has to change

And you can find me in the space between  
Where two worlds come to meet  
I'll never be out of reach  
'Cause you're a part of me so you can find me in the space between  
You'll never be alone  
No matter where you go  
We can meet in the space between

And nothing can stay the same  
It's growing pains  
Be proud of all the scars  
They make you who you are (oh, woah)

I know you have to stay  
But I'll never really leave you  
Nothing has to change  
Even though it changed

And you can find me in the space between  
Where two worlds come to meet  
I'll never be out of reach  
'Cause you're a part of me so you can find me in the space between  
You'll never be alone  
No matter where you go  
We can meet in the space between

There are no words left to say  
I know you gotta find your place  
But this is not the end (no)  
You're part of who I am  
Even if we're worlds apart  
You're still in my heart  
It will always be you and me, yeah

You can find me in the space between  
Where two worlds come to meet  
I'll never be out of reach (I'll never be out of reach)  
'Cause you're a part of me so you can find me in the space between  
You'll never be alone  
No matter where you go  
We can meet in the space between

Yeah, no matter where you go  
No matter where you go  
We can meet in the space between
