

Ways To Be Wicked

Dove Cameron

Ah!

We got all the ways to be
W-I-C-K-E-D
We got all the ways to be
W-I-C-K-E-D

C'mon!
Hey, hey, hey, hey, hey, hey, hey, hey
Ha, ha, ha!
Hey, hey, hey, hey, hey, hey, hey!

Crashing the party
Guess they lost my invitation
Friendly reminder
Got my own kind of persuasion

Looks like this place could use a bit of misbehavior
Happily Ever After with a little flavor

Bad to the bone with even worse intentions
We're gonna steal the show and leave 'em all defenseless

A fairy tale life can be—oh—so overrated
So raise your voices and let's get it activated

Long live havin' some fun
We take what we want
There's so many ways to be wicked
With us evil lives on
The right side of wrong
There's so many ways to be wicked

Apple apple
Dip dip
Wanna try it?
Tick tick
Take a bite
C'mon, be bold
Change the way the story's told

This time the dark is finally getting your attention
We're wicked by the book and class is back in session
You like it steal it, gotta beat 'em to the treasure
A rite of passage
Bad just doesn't get much better!

Long live havin' some fun
We take what we want
There's so many ways to be wicked
With us evil lives on
The right side of wrong
There's so many ways to be wicked

Mother always knows best
Show her, pass every test
Hear her voice in my head

Evil is the only real way to win

We got all the ways to be
Hey, hey, hey, hey!
W-I-C-K-E-D
Let's go!

We got all the ways to be
Hey, hey, hey, hey!
W-I-C-K-E-D
Yeah!

Long live havin' some fun
We take what we want
There's so many ways to be wicked
With us evil lives on
The right side of wrong
There's so many ways to be wicked

Cruel and unusual
We're taking control
There's so many ways to be wicked
With us evil lives on
The right side of wrong
There's so many ways to be wicked

Hey, hey, hey, hey!
We got all the ways to be
W-I-C-K-E-D
We got all the ways to be
W-I-C-K-E-D
We got all the ways to be
W-I-C-K-E-D
We got all the ways to be
So many ways to be wicked
