

We Belong

Dove Cameron

Live in LA now
Hard without you I'm
Missing you miles away
Said I need space but
I don't need space I
Need you to come to me

Like
Bang bang think I'm allergic
To every other person
You're the one now I'm certain
Yeah yeah yeah yeah

We belong together
We belong together
And you know it
Wine stained teeth
And bloodshot eyes
Think we're both fucked up
And that's alright
Yeah yeah
We belong together
Woo

You got my heart
And you got my brain
So get on get on a plane
Just take a fast car right
Into my arms like
You gotta understand

Bang bang think I'm allergic
To every other person
You're the one now I'm certain
Yeah yeah yeah yeah

We belong together
We belong together
And you know it
Wine stained teeth
Bloodshot eyes
I think we're both fucked up
And that's alright
Yeah yeah
We belong together
Woo

Bang bang so automatic
Know you got me excited
And we don't gotta hide it
Yeah yeah yeah yeah

We belong together
We belong together
And you know it
Wine stained teeth
Bloodshot eyes

I think we're both fucked up
And that's alright
Yeah yeah
We belong together
Woo

Bang bang think I'm allergic
To every other person
You're the one now I'm certain
