We Go Down Together

Dove Cameron

Sometimes we fly, sometimes we fall
Sometimes I feel like we're nothing at all
Dream in the light, dance in the dark
You fill the spaces inside of my heart, mmm

Ooh, ooh, ooh
Mmm, mmm

Am I really mine? Are you really yours?
If all your emotions cuts straight to my core
Times when you cry, I feel it all
Whenever you leave me, I wait for your call

You are everything I'm living for

If you go down
Then we go down together
If you hold on
I might just stay forever
If you get hurt
I'll try to make it better
If you go down
Then we go down together

Sometimes we're right, sometimes we're wrong
Sometimes the line has just never been drawn
Nights when we fight, we strike a chord
Then we forget what we've been fighting for

Ooh, ooh, ooh
Mmm, mmm

Lay on the floor, sleep in your arms
Pausing the world to stay right where we are
Close all the blinds, lock all the doors
Things fall apart and I'm wanting you more

You are everything I'm living for

If you go down
Then we go down together
If you hold on
I might just stay forever
If you get hurt
I'll try to make it better (Make it better)
If you go down
Then we go down together

Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Together
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
Ah, ah, ah, ah, ah, ah, ah
