Son, what have you done?

C#
You're caught by the river

As Assus4
You're coming undone

As F#
Life you know it can't be so easy

C#
But you can't just leave it

As Assus4 As
Cause you're not in control no more

As
R: And you give it all away
F#
Would you give it all away now?

C#
Don't let it come apart
As Assus4 As
Don't want to see you come apart

Son, what are you doing?
You learned a hard lesson
When you stood by the water

You and I were so full of love and hope
Would you give it all up now?
Would you give in just to spite them all?

R:

And you give it all away
Would you give it all away now?
Don't let it come apart
Don't want to see you come apart

Cause you give it all away
And you give it all away now
Don't let it come apart
Don't want to see you come apart

Assus4 As Assus4 As Assus4 C# As Assus4 As
Assus4 As Assus4 As Assus4 C# As Assus4 As Assus4

Lay, I lay in the long grass
So many people
So many people pass

Stay, stay here and lie on back
Get down in the cornfields
Stay till were caught at last

R:

Give it all away
Give it all away now
Don't let it come apart
Don't want to see you come apart

And you give it all away
You give it all away now
Don't let it come apart
Don't want to see you come apart
