

Private Soul Security

Down Below

(ohhh, oooh,)
(I believe in you) (I believe in you)

I'll always stand behind the scenes
I'll see your tears and hear your screams
And I'll be waiting for you,
waiting, waiting patiently

I am the one behind the wheel
Bu I'll just turn it if you need it
In your dreams, I am the melody
I'm your private soul security

You don't have to call my name
I will hear you
You don't need to search for me
I'll find you
You don't need to ride that dead horse
Leave it
If you don't believe, I'll believe in you
I'll believe in you

(yeah)

Every mistake that you have made
Every sorrow you will feel
I cant make it undone, but I,
I'll make it unreal

I'll always stand behind the scenes
I'll see your tears, I'll hear your screams
I'm the song, I am the melody,
I'm you private soul security

You don't have to call my name
I will hear you
You don't need to search for me
I'll find you
(I'll find you)
You don't need to ride that dead horse
Leave it
If you don't believe, I'll believe in you
I'll believe in you

I'll believe in you

(oooooh, ooooh, ooooh,)

You don't have to call my name
I will hear you
You don't need to search for me
I'll find you
(I'll find you)
You don't need to ride that dead horse
Leave it
If you don't believe, I'll believe in you
I'll believe in you

You don't have to call my name
I will hear you
(you don't need to call my name, oh)
You don't need to search for me
I'll find you
(you don't need to search for me, ah)
You don't need to ride that dead horse
Leave it
(you don't need to ride that dead horse)
If you don't believe, I'll believe in you
I'll believe in you
