

## Uprising: Sundown

Down Below

Hello, do you remember  
do you know my kind  
do you remember  
and my father's mind  
the live was a gift in love to you  
and you wasted it...

I don't know why  
but it will be like my father told to me  
I don't know where  
I don't know when but I'll be back again.

I said welcome to the stars  
and welcome to your wars  
decide now where you want to be  
my warrior or enemy.

My greetings from the stars  
and welcome to your wars  
decide now where you want to be  
my warrior or enemy.

Hello, what I must see  
this picture hurts  
hello, no place for me  
and my father's words.
