Down By Law

All used up and nowhere to go got a sad story to tell but who wants to know? Its written on the walls you sing it in the halls you're gonna have a ball who catches when you fall? Don't look at me like that don't look at me at all all used up and nowhere to go got a sad story to tell we all wanna know its written on the walls you sing it in the halls you're gonna have a blast who watches when you fall? Can't look at me like that can't look at me at all
