

Down the drain

Down By Law

Yesterday I cut myself on pieces of a broken dream
And though it hurt me so, I won't cry
No I won't shed a tear
I tried so hard
To pick you up
I poured your bottles down the drain
You poured your mind
And if you ask me
I'll be there for you
But it's up to you from here
And so the time has come for me to say goodbye
And though it hurts me so
I won't cry
When I look you in the eye
Cause all the problems
Remain unsolved
You're 100 proofs to me
Of what I hoped you'd never be
And if you ask
I'll be there for you but it's up to you from here
