

Nothing Good on the Radio

Down By Law

Backstreet Boys, Boys 2 Men.
I never wanna hear that crap again,
But there's Nothing Good on the Radio.
(Nothing!)
No there's nothing good on the radio
(Nothing!)

Matchbox 20, Once was plenty.
I'm tired of this junk giving me a headache.
Nothing Good on the Radio.
(Nothing!)
No there's nothing good on the radio
(Nothing!)

No bands in rock that's playing today
Radio programs are plain insane.
Spin the dial, looking for The Clash,
But all you get is worthless TRASH!!
There's nothing good on the radio
(Nothing!)
There's nothing good on the radio
(Nothing!)

Puff Daddy Sucks. That's for sure.
Almost as bad as Tupac Shakur.
Nothing Good...
No there's nothing good.....

From Dream to Mariah Carey
It's all so horrible, all so scary.
Everything on the dial sounds so lame.
Everything just sounds the same.
