

Turn away

Down By Law

Turn away, turn away, turn away
Just don't let her turn away
Other way, other way
Just don't look the other way
Turn away, turn away, turn away
Just don't let her turn away
Other way, other way
Just don't look the other way
And if you'd seen her face
Well, if you'd seen her face
Just a smile that was withering away
I wanna look but it's gonna be too late
Untouched by another persons fate
Well, I don't like that
No, I don't like that
Oblivious to haze too good to turn away
And I don't like that
Turn away, turn away
Just don't let her turn away
Other way, other way
Just don't look the other way
Turn away, turn away, turn away
Just don't let her turn away
Other way, other way
Just don't look the other way
Oblivious to haze too good to turn away
Turn away, turn away
Don't turn away
Don't turn away
Don't turn away
...
