Down Low

He's crawling thru your blood, he's comin' thru your cells...
when you don't protect yourself, he strikes you
Do you know who he is? It's the H.I.V.

Here we go, check it out!

Running thru your blood, intervening thru your cells, I be your worst
nightmare, so you can go and tell, my duty is to take you off this earth,
since your birth, let me tell you how I go to work and how it hurts

In the 20th century they invented me, swallowed many medicine, tackled
many vaccines

Still standing here on my own and I can't wait to get up in your home
I'll destroy your life and even take your wife, so you better think twice
before you take that price...

I'm coming in a midnight creep, watch ya family weep,
slowly putting that ass to sleep

I'm much greater as the dominator, you and me one and one

I know, I'm the remainder

Hopefully I go down in history as a memory, you know my name

I'll be the H.I.V. !!

Chorus:

Somebody please help me, cause I am falling (come on)

I'm going down, can't you hear me calling (huh)

Can't you see, what's going on with me

Oh! I need someone to help me!... (I'll be the H.I.V.)

Somebody please help me, cause I am falling

I'm going down, can't you hear me calling (huh)

Can't you see, what's going on with me

Oh! I need someone to help me!... (I'll be the H.I.V.)

Life is born from unprotected sex, life is born, sharing needles with
the next

Detach the context as I start to move it on, listen-
up out there to the facts of the song

No feeling when I'm coming to your heart, destroy your whole family
just to do my part

Can you hear me? Yo! you do, in twenty more seconds I'll be inside of
you

Slowly see his or her health begins to fall, and sooner or later I hear
the phone call, protect yourself or get you a partner that's true

Or I'll be coming yo you, pump it thru!

Thanks for the media for giving me attention, and while I'm in your
mind,

I like to mention, diseases of this world are family to me

Cause I'll be the one you hate, I'll be the H.I.V. !!

Somebody please help me, cause I am falling (come on)

I'm going down, can't you hear me calling (huh)

Can't you see, what's going on with me

Oh! I need someone to help me!... (I'll be the H.I.V.)

Bridge:

Is there anybody out there? Does anybody hear me?

Does anybody hear me falling?

Is there anybody out there? Oh, can't nobody see?

Can't nobody stop me from falling?? (I'll be the H.I.V.)
