

# Love Is Not Enough

Down with Webster

It's been a long time coming now  
With night comes stars and with pain comes scars  
It was happening, always happening  
It's been a long time coming now  
With light comes day, it was hard to say  
It was happening, always happening

Do you remember when?  
We were happy back then  
And we never thought that we would find a love so true  
This doesn't change a damn thing  
In case you were wondering  
Did I mean it when I said that I loved you?  
Oh

Hell yeah, I meant it  
But I gotta go  
Cause you left me empty, yeah  
Sometimes love is not enough  
Sometimes it's not enough

It's been a long time coming now  
With the heart comes soul but we lost control  
So it's happening, is this happening?

Do you remember when?  
We were happy back then  
And we never thought that we would find a love so true  
This doesn't change a damn thing  
In case you were wondering  
Did I mean it when I said that I loved you?  
Oh

Hell yeah, I meant it  
But I gotta go  
Cause you left me empty, yeah  
Sometimes love is not enough  
Sometimes it's not enough

I don't know  
Cause it's not enough  
If we're caught in true love  
It's all up to us

Hell yeah, I meant it  
But I gotta go  
Cause you left me empty, yeah  
Sometimes love is not enough  
Sometimes it's not enough
