

## Back To The Chorus

Downhere

You're the tune that I sing no matter my mood  
Excite and soothe in music's got it's own groove  
and it's all I can do  
it's all I can say

I go back to the chorus  
back to the main theme  
I'll just keep goin' back to you  
I'm goin' back to the chorus  
back you're my main theme  
I just keep going back to you, to you

It takes me back  
the nostalgia of what we've had  
this is no fad  
you're my quintessential soundtrack  
'cause in my heart I crave  
the only one who saves

I'm goin' back to the chorus  
back to the main theme  
I'll just keep goin' back to you  
I'm goin' back to the chorus  
back you're my main theme  
I just keep going back to you

I'm goin' back  
Going back  
I'm goin' back  
Going back  
It's all I can do  
it's all I can say  
From my deepest heart I crave  
the only one who saves

I go back to the chorus  
back to the main theme  
I just keep goin' back to you  
I'm goin' back to the chorus  
back to my main theme  
I just keep going back to you

I'm goin' back to the chorus  
back you're my main theme  
I'll just keep going back to you  
I just keep going back, yeah  
I just keep going back  
(to the main theme) (goin' back)  
I'll just keep going back to you  
I just keep going back, now  
I just keep going back and I'll  
just wanna keep on going back that I'll  
I just keep going back to you
