

Find Me

Downhere

I know it was a wrong turn
That locked me to the choice
In a city with only one way streets
It's hard to find a voice

Now words sure feel like the wrong thing
I'm still learning how to pray
I'm so tired of taking the directions from my own mistakes
From my own mistakes

Find me, I don't want to take the wrong way again
Find me, I don't want to go the wrong way again
Find me, I don't want to go the wrong way... find me... find me
...

It takes more than courage
To step out in the isle
Because I waited for a feeling
I didn't read the sign
