## **Great Are You**

## **Downhere**

How I love Your works My God, My King How I love Your works My God, My King

Your Name rings on the plains Like a not so distant train And Love and history are near In the flowers that You make The flowers that You make

Because I'll never hold the picture
Of the whole horizon in my view
Because I'll never rip the night in two
It makes me wonder
Who am I, who am I, who am I?
And great are You
Great are you, Lord
Great are you, Lord

How I love Your Word My God, My King How I love Your Word My God, My King

Your love cuts through these pages to my heart As You grieve our sins, right from the start And sacrifice and paradise are in The plans that You made, the plans that You made

Because I'll never hold the picture
Of the whole horizon in my view
Because I'll never rip the night in two
It makes me wonder
Who am I, who am I, who am I?
And great are You
And great are You, oh Lord

Because I'll never hold the picture
Of the whole horizon in my view
Because I'll never rip the night in two
It makes me wonder
Who am I, who am I, who am I?
And great are You
Great are You Lord

Because I'll never hold the picture
Of the whole horizon in my view
Because I'll never rip the night in two
It makes me wonder
Who am I, who am I, who am I?
And great are You
Great are You, Lord

Great are You, Lord Great are You Great are You, Lord You are so great Great are You, Lord Great are You, Lord Great are You, Lord

. . .
