

Jesus, Ellipsis (Uncut Demo)

Downhere

Jesus on the radio, Jesus on a late night show
Jesus with a lamb, a staff in his hand
Jesus on a mint and a Christmas ornament
Jesus on a billboard sign, Jesus in the headlines
Jesus at work, Jesus on a shirt

Jesus in a magazine, Jesus rocked the silver screen
Jesus has his very own action figurine
So come and get your Jesus fix
Miracles and parlor tricks
Jesus freaks and Jesus cliques
There's even a Jesus week
But Jesus is the only name that makes you flinch

JESUS

Jesus started something new. Jesus coined a phrase or two
Jesus split the line at the turning point of time
Jesus sparked a controversy, Jesus, known for his mercy
Gave a man his sight Jesus isn't white

Jesus changed the atmosphere, Jesus, whom the haters feared
Jesus sure could walk his talk, Jesus, whom the haters mocked
When he wouldn't stop, the haters formed a plot
Jesus swam the ocean, walked the land, Jesus prayed a lot and
Jesus has distinguishing marks on his hands

JESUS

Jesus' blood never failed me yet
This one thing, this thing I know
Oh, He loves me so

I will give account to Jesus for all that I've done
Jesus knows what I'm about - inside and out
Jesus turned my tables in more ways than one
Jesus raised this man to life, cuz Jesus paid the price

Jesus, who is all these things and more
Jesus was before the universe began, Jesus understands
Jesus has the key to Heaven locked in His grip
Jesus is the Be All, End All, but Jesus isn't hip.

Jesus is the King of Heaven, Jesus is the Lord
Jesus is the Son of God, who reigns forever more

How many ways we see you.
How many ways we need you.
How many are true?
