

Jesus, Ellipsis

Downhere

Jesus on the radio, Jesus on a late night show
Jesus in a dream, looking so [?]
Jesus on a billboard sign, Jesus in the headlines
Jesus at work, Jesus on a shirt

Jesus in a magazine, Jesus rocked the silver screen
Jesus has his very own action figurine
So come and get your Jesus fix
Miracles and parlor tricks
But Jesus is the only name that makes you flinch

Jesus...

Jesus started something new, Jesus coined a phrase or two
Jesus split the line at the turning point of time
Jesus sparked a controversy, Jesus, known for His mercy
Gave a man his sight, Jesus isn't white

Jesus changed the atmosphere [?]
Jesus swam the ocean, walked the land, Jesus prayed a lot and
Jesus has distinguishing marks on his hands

Jesus...

Everyone has different answers
And the question is You

I will give account to Jesus for all that I've done
Jesus knows what I'm about - inside and out
Jesus turned my tables in more ways than one
Jesus raised this man to life, 'cause Jesus paid the price

Jesus, who is all these things and more
Jesus was before the universe began, Jesus understands
Jesus has the key to Heaven locked in His grip
Jesus is the Be All, End All, but Jesus isn't hip

Jesus...

Jesus is the King of Heaven, Jesus is the Lord
Jesus is the Son of God, who reigns forever more
