

Let Me Rediscover You

Downhere

Your Spirit hovers over my waters
Your love burns longer than the sun
The skies of thunder echo Your wonder
Your praises can't be over-sung
The whole universe is witness
To only a part of what You've done

Let me rediscover You
And breathe in me Your life anew
Tell me of the God I never knew
Let me rediscover You

You see my weakness, my pride, my blindness
You wield Your power through them all
Of all the mysteries, still,
The greatest to me is that You're faithful when I fall

Let me cry "Holy, Holy, Holy"
Let me awaken to Your majesty
And see a glimmer of Your glory
Let me abide in You

Let me rediscover You
And by Your grace I'll follow through
Reveal to me the God I thought I knew
