## **Protest To Praise**

Downhere

I knew the times would come and now the times have landed With stinging abrasion As ready as I seem to be Its never like I planned it, yeah Pre-Chorus Im wrestling my thoughts Im overcome Would you give me up Im asking Lord There's no where I sense Your presence here So I will cry out, until I go Chorus From Protest to praise Youre always amazing me Youre changing me slow, but surely And you're gonna see me to the end How long will I be forgotten by You forever Youre not making sense here Seems like eternity has made a home between us, yeah Pre-Chorus/Chorus (2X) Youre changing me slow I just can't help but see it that way Cuz you're gonna see me to the end
