

# All I Need

Downplay

If I could paint the sky  
I'd brush away the night  
The image in my eyes  
Burns in low light

It hurts when you're away from me  
It hurts when you're around  
You're all I see  
And I am...

Digging out the eyes  
That saw my world divide  
Don't wanna realize  
I don't wanna, don't wanna  
Didn't you believe?  
You're all I need to breath  
You're all I, You're all I, You're all I...  
Need to feel alive

The vision left inside  
A Trojan horse I face  
The seeds buried behind  
Sewn to be-trayed  
The fortress of the one  
Was burned into the ground  
And all I see  
Is you now

Digging out the eyes  
That saw my world divide  
Don't wanna realize  
I don't wanna, don't wanna  
Didn't you believe?  
You're all I need to breath  
You're all I, You're all I, You're all I...  
Need to feel alive

The fear invades  
And overtakes the home  
(It overtakes the home)  
It infiltrates  
Eroding all control  
(Eroding all control)

And now I see  
And I am...

Digging out the eyes  
That saw my world divide  
Don't wanna realize  
I don't wanna, don't wanna  
Didn't you believe?  
You're all I need to breath  
You're all I, You're all I, You're all I...  
Need to feel alive  
Need to feel alive  
Need to feel alive
