Downplay

Ooh, you think you're somethin'
You're nothing but a sheep wearing wolves' skin
Terrible imitation
That's wearing me down, down thin
Yeah

We've been walking on eggshells just to please you (Just to please you)
We've been walking on eggshells
And it's turned you into

Your own champion
Common primadonna
Average unknown
Your head's so swollen
Leaves you in a coma
And all alone
All alone
The average unknown

Just caus you're so charming
Conductor of the astounding
But you know you're just dreaming
You're just the prince of uninteresting
Yeah

We've been walking on eggshells just to please you (Just to please you)
We've been walking on eggshells
And it's turned you into

Your own champion
Common primadonna
Average unknown
Your head's so swollen
Leaves you in a coma
And all alone

Yeah
This has been a long time coming
Something, something, something's gotta change
This has been a long time coming
Something, something, something's gotta change
So I bid you adieu
Caus you changed into

Your own champion
Common primadonna
Average unknown
Your head's so swollen
Leaves you in a coma
And all alone
