

Into the Dark

Downplay

To thy eye
Turn away
From the light
To my fate
It's a risk I will take

Like the ghost
In the walls
Will I repeat the falls
Or will I find a change

I've become (woah)
Come undone (woah)
So I run
Into the dark unknown
(Into the dark unknown)
I'm going on my own
On my own!

For the chains
In this place
Couldn't stop
My escape
Because I'm not the same

I'm undone
So I run
Into the dark unknown
(Into the dark unknown)
I'm going on my own (I'm going)

I've been stuck
For so long
This is not where I belong
And I don't care where I go
As long as I'm gone

I won't be another face
(I won't be another face!)
Waiting for something to change
(That won't come!)
(I will run!)
(I will run!)

I will run
Into the dark unknown
(Into the dark unknown)
I'm going on my own (I'm going)
I've been stuck for so long
This is not where I belong
And I don't care where I go
As long as I'm gone (Gone!)
(Gone!)
(As long as I'm gone!)
