

Revenge

Downplay

It must've been one, two years ago
You regret what you did
But I still know
And you wish I could just let go
Hey, hey, hey
No, no
No!

Did you think that I would let it go that easily?
I don't forget what you did to me
While you've been hiding behind my back
I've been planning out my attack

And the moral of the story will now be told
If you're gonna serve it then you're gonna eat it
Revenge is a dish that's best served cold
It's coming back tenfold

And I shove it in your face
How does it taste?
How does it feel?
'Caus for me it just feels unreal

Does it taste
Like it should?
'Caus for me it just tastes so good

Yeah it was like one, two years ago
You regret what you did
But I still know
And you could run, but I'd follow
I'm killin' it
I'm killin' it
Go!

Did you think that I would let it go that easily?
I don't forget what you did to me
What you've been hiding behind my back
I've been planning out my attack

And the moral of the story will now be told
If you're gonna serve it then you're gonna eat it
Revenge is a dish that's best served cold
It's coming back tenfold

And I shove it in your face
How does it taste?
How does it feel?
'Caus for me it just feels unreal

Does it taste
Like it should?
'Caus for me it just tastes so good

How does it feel?
How does it feel?
How does it feel?

How does it feel?
How does it feel?
To be you now

How does it feel?
How does it feel?
To be you now

And the moral of the story will now be told
If you're gonna serve it then you're gonna eat it
Revenge is a dish that's best served cold
It's coming back tenfold

And I shove it in your face
How does it taste?
How does it feel?
'Caus for me it just feels unreal

Does it taste
Like it should?
'Caus for me it just tastes so good
