

# We'll Be Kings

## Downplay

I pledge allegiance to the flag  
Of the United States of America  
And to the republic for which it stands  
One nation indivisible  
With liberty and justice for all

Well, first we'll build the lie  
And then we build the show  
And if we testify  
They'll come from high and low  
Then we rake, rake, rake  
Rake in the money  
We'll take, take, take  
Take in the money  
We'll rake, rake, rake  
Rake in the money  
We'll build a religion  
Build a religion

Hold your hands up high  
And wave 'em to and fro  
And don't forget your tithe  
Heaven's not free, you know  
And then we rake, rake, rake  
Rake in the money  
We'll take, take, take  
Take in the money  
We'll rake, rake, rake  
Rake in the money  
We'll build a religion  
Build a religion

We'll find a savior  
Who's already dead  
Manipulate the words that he said  
We'll be the guardians of morality  
We'll trick them and steal all their things  
And we'll be kings!  
And we'll be kings!  
And we'll be kings!  
And we'll be kings!

Woah  
The weak are first to go  
Woah  
The weak are first to go  
Woah  
The weak are first to go  
Woah  
The weak are first to go

We'll find a savior  
Who's already dead  
Manipulate the words that he said  
We'll be the guardians of morality  
We'll trick them and steal all their things  
And we'll be kings!

And we'll be kings!  
And we'll be kings!  
And we'll be kings!

How you boys and girls safeguard that liberty  
Is your responsibility
