

New Respect

Downset

Beats and rhymes

When I saw that gat tucked up under your shirt
You ran with a fake alias you had to put in work
You came up on a g ride to creep undetected
You were always looking behind your back cuz the dope spot was ill he
ctic

No more! No more! No more!
A tighter way to rep!
No more! No more! No more!
A new respect!
No more! No more! No more! No more!
A new respect! A new respect! A new respect! A new respect!

One times shook the spot down to see what we had up on
Us beat downs and Pee-
Wee's getting jumped in probation and getting locked up
Kill no kids since before Impalas throwing up gang signs
And through all this Hood drama we were fighting to stay alive!

No more! No more! No more!
A tighter way to rep!
No more! No more! No more!
A new respect!
No more! No more! No more! No more!
A new respect! A new respect! A new respect! A new respect!

Miraculous advent notorious dues!
A mighty transcendent a path for a few years
We both and cleansing I'll always admire
Other amazement I raise you up higher!

No more! No more! No more! No more!
No more! No more! No more! A new respect!

No more! No more! No more!
A tighter way to rep!
A new respect! A new respect! A new respect! A new respect!

Beats and rhymes!
A new respect!
Beats and rhymes!
A new respect!

No more! No more! No more! No more!
No more! No more! No more! A new respect!
