

# The Place To Be

Downset

I'm in the place to be  
I'm in the place to be  
I'm in the place to be  
We drop the hyped tracks the pump the beats fat  
I'm in the place to be  
I'm in the place to be  
I'm in the place to be  
We drop the hyped tracks the pump the beats fat

How much dope you trunk and how much pussy you fuck  
Don't mean shit to me believe I'm flipping symmetry  
Cuz eventually where I be  
You're going to feel the heat and get taxed by some OG's  
Don't fuck with it I'm telling you go  
Legit if possible drop off parole  
Cash keys and peas mouths to feed  
But think about your baby's and think about your seeds gee!

Believe that!  
Best best best best believe that!

I'm in the place to be  
I'm in the place to be  
I'm in the place to be  
We drop the hyped tracks the pump the beats fat

Need your neck last breath to death  
Keep the quest death less to forget  
Protests direct pick up the taste  
When you time waste that's your mistake  
Then woke to danger blessed remainder  
Burned down these haters still got that anger!  
Anger!

Believe that!  
Best best best best believe that!

I'm in the place to be  
I'm in the place to be  
I'm in the place to be  
We drop the hyped tracks the pump the beats fat  
I'm in the place to be  
I'm in the place to be  
I'm in the place to be  
We drop the hyped tracks the pump the beats fat

Best believe that!  
Best believe that!
