

Wreck It

Downset

Can I move you
Can I move you
Can I move you
Can we wreck the place
Can I move you
Can I move you
Can I move you
Wreck it wreck it
Can I move you
Can I move you
Can I move you
Can we wreck the place
Can I move you
Can I move you
Can I move you
Wreck it wreck it

Up the wall clean so we can raise up the theme
With Christine letter schemes from my team
Royal calculation sketches come to life
Paint hits the surface outlines tight
Everything we rock shines with the meaning
Cool link with purpose foods science and healing
Time productions illuminate ghetto zones
United to inspire leaving mines blown

Don't know what you want to hear
But I know what I've got to say
Don't know what you want to hear
But I know what I've got to say
Bring the house down

Can I move you
Can I move you
Can I move you
Can we wreck the place
Can I move you
Can I move you
Can I move you
Wreck it wreck it
Can I move you
Can I move you
Can I move you
Can we wreck the place
Can I move you
Can I move you
Can I move you
Wreck it wreck it

Can words and poetry transition a soul
To elevations of consciousness into a higher mode
Color pieces G-Code classics
Layers of flavor methods charismatic
Language innovation perseverance
Desire to be the best fearless appearance
We believe in each other so let's go to the distance
Riffs beats and verses hope of the influence!

Don't know what you want to hear
But I know what I've got to say
Don't know what you want to hear
But I know what I've got to say
Bring the house down

Can I move you
Can I move you
Can I move you
Can we wreck the place
Can I move you
Can I move you
Can I move you
Wreck it wreck it
Can I move you
Can I move you
Can I move you
Can we wreck the place
Can I move you
Can I move you
Can I move you
Wreck it wreck it

Don't know what you want to hear
But I know what I've got to say
Don't know what you want to hear
But I know what I've got to say

Where do we go when the good and the greatest
Start to decay
When the heartless machine gets the best of us
And inequity is on display
I always knew life would get tougher on us
And that's why I remain
I remain
I remain

Bring the house down
Bring the house down
Bring the house down
Bring the house down
Bring the house down
Bring the house down
Bring the house down
Wreck it wreck it
