Downstait

If you want blood, you've got what you need  
And [?]  
And our love [?]  
To make you drop right to your feet

Still burning, staying high  
Take a bite out of hellfire highway  
Shotgun devil stay  
He's spotted  
He's a wanted man  
'Cause he's strong and he's hot  
He's the man in charge  
He's spotted  
He's a wanted man  
Going all night long yeah

[?] call, reach out to me  
I'm captured, the bounty's complete  
But nothing is quiet as it seems  
No church bell no [?]

Still burning, staying high  
Take a bite out of hellfire highway  
Shotgun devil stay  
He's spotted  
He's a wanted man  
'Cause he's strong and he's hot  
He's the man in charge  
He's spotted  
He's a wanted man  
Going all night long yeah

He's spotted  
He's a wanted man  
'Cause he's strong and he's hot  
He's the man in charge  
He's spotted

Going all night long yeah

He's spotted  
He's a wanted man  
'Cause he's strong and he's hot
