

# Dope Lovers

DPR IAN

You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in  
You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in

A dope lover, you'd say  
No number, I like your face  
I'm just here for two  
Lying next to you  
So gone to the point I can't believe  
This was all from a kiss  
You stayed for this  
You stayed for this  
You'd live for this  
'Cause I just need you now

You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in  
You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in

You don't think we don't know love  
We can't leave the question untouched (untouched)  
How many times we laugh through this moment just to hold back  
'Cause I think I know that you compromised this  
('Cause I think) You got everything to feel bliss  
('Cause I think) I thought you would fall  
I would've missed, you'd live for this  
'Cause I just need you now  
You're smiling

You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in  
You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in

A dope lover you are  
A broke lover he was  
And he doesn't know she's tired, she's tired  
A dope lover you are  
A broke lover he was  
And he doesn't know  
She's tired and you're tired

When you smile, you smile

She smiles, she smiles  
You tried, you tried to build fires  
Because I don't want you  
To know, no time  
Because I don't want you to go to go higher  
She's tired because it hurts every time

You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in  
You're smiling, I'm sorry  
She's vibin', no compass  
When I live, you're dying  
When I'm falling, you fall in
