DPR IAN

Dear diary  
Oh, I'm no buttercup  
My day goes down to up  
Sometimes I need to stop  
Your pills are not enough  
Maybe I'll throw it up  
Just so I'll sober up  
Miss Understood

No, I don't want no answers  
My guns are just blasting  
My feelings on acid  
Make this heart go elastic  
All right  
Oh my  
Okay, okay  
Miss Understood

Do you know her?  
Nobody loves her  
She's like no other  
Somebody help her

Dear diary

So do you know her?  
Nobody loves her  
She's like no other  
Somebody help her

Dear diary

Today I fell in love  
Hope I don't fuck it up  
Met you at Avalon  
Two pills work good enough  
Hope I don't throw it up  
Hope I don't sober up  
Miss Understood

No, I don't want no answers  
My guns are just blasting  
My feelings on acid  
Make this heart go elastic  
All right  
Oh my  
Okay, okay

Dear diary

So do you know her?

Nobody loves her  
She's like no other

Bye, bye, I'll see you at the same place  
Oh my, I couldn't leave you anyway (Miss Understood)  
Don't cry until she looks the other way
