

## Sometimes I'm

DPR IAN

So most of the times  
I would say I'm a pretty bright person  
Easy to get along with  
You know?  
And most of the times  
I do smile a lot I reckon  
But then you know  
Sometimes  
Hmm  
Well?

Sometimes I'm  
Am better left alone  
Sometimes I'm  
I'm waiting for you to go  
Sometimes I'm  
Just hoping that you would know  
Sometimes I'm  
Am wondering how did I get this

Gun to my head in the first place  
I'm doing just fine  
I got myself in this rat race  
Who cares about the time  
I'm breaking down to my old ways  
Just falling out of line  
I smile and tell you I'm okay

No no really

Sometimes I'm  
Am better left alone  
Sometimes I'm  
I'm waiting for you to go  
Sometimes I'm  
Just hoping that you would know  
Sometimes I'm  
Wondering how did I end up

So down baby  
Baby Don't gift me a minute  
Cause I'm never quite ready  
To give you a reason  
And I've tried to be steady  
To get you from leaving  
Just slow down baby  
Don't gift me a minute

So down baby  
Don't gift me a minute  
Cause I'm never quite ready  
To give you a reason  
And I've tried to be steady  
To get you from leaving  
Just slow down baby  
Don't gift me a minute

I'm running out of things I love  
Oh the world is prettier from above  
Oh I got so many things I don't trust  
I know I'll turn this moment  
Back into dust

No no really

Sometimes I'm

Sometimes I'm

Sometimes I'm
