

Geronimo!

DPR LIVE

Uh, love the lows, I love the lows
'Cause without them, there is no high
There is no high like bungee jump
Like bungee jump
When in the air, nowhere to go
Nowhere to run

I'm about to
Fall through the sky
My engines are down
Barameun deouk geosejyeoga
I'm losing my sight
Geoteuron mariya
I've put on a smile
But it's a disguise
Sokji mara jwo
I'm losing my grip
The more that I fight
Mayday, I'm crashing down
(Don't wanna fall)
Think I'm losing my grip
Think I'm losing my shit, yeah
Mayday, I'm crashing down
(Don't wanna fall)
Think I'm losing my head
Think I'm losing my thread
Think I'm losing, uh

Don't tell me what you know
Don't tell me what you've heard
For you I've painted pictures
So tell me what you saw

A lot of more pain
A lot in between
That's where you can find me

I got nowhere to run
Yeah (IIITE COOL)
