

Here Goes Nothing

DPR LIVE

So will you save me if I fell?
Will you save me if I, if I crash? (Crash)
How about love? (How about love?)
Would you love me if I, if I ran? (Ran)
Because I hate that I fall
I hate that I crash
I hate when I run
I hate this victim mentality
Somebody save me, somebody save me from my self
I feel like I'm in a loop sometimes
Would somebody catch me if I fell?
If I fell will you catch me? (If I fell, if I fell)
(If I fell, if I fell)

Will somebody catch me?
Will you catch me?
Will you catch me?
Will you catch me if I
Will you?
