Dr. Alban

Enemy's gathering rumours
(gathering rumours, gathering rumours)
Ignorant spread them
Fools accept them without confirmation
Hey, you'd better surrender

Stop spreading these rumours, oh
Enemy's gathering rumours, oh yeah
Enemies are gathering rumour ignorant spread
Enemies are gathering rumour ignorant spread
Fools take it and accept it. Fools take it and accept it
Pam pam

We are tired of hearing rumours
Please give up, don't tell no lies
Enemies are gathering rumouri½

If you're my enemy you'd better surrender
If you're my enemy hey, you'd better surrender
